

**ROANOKE REGIONAL AIRPORT COMMISSION  
REQUEST FOR PROPOSAL NO. 19-017  
FOR TAXI SERVICES**

**ADDENDUM NO. 1  
AUGUST 29, 2018**

**Question 1:** How old must a vehicle be in order to qualify to operate ground transportation – taxi cab services?

**Answer :** Roanoke Regional Airport Commission requires that Taxis operating at the Roanoke Regional Airport Commission meet the requirements stated below.

The following paragraphs will be revised to meet the Commission's requirements.

**Article 5.03 Vehicles (A):**

The following words shall be added at the end of the paragraph:

**"Taxicabs made available for service, at the Roanoke Regional Airport, shall be no more than ten(10) years old."**

**Taxicabs operating under a permit, at the Roanoke Regional Airport Commission, whether the cab is owned or leased and made available to the Airport shall be continuously licensed as a taxicab under proper authority and shall be no more than ten (10) years old or newer and, maintained in good operating conditions, free from mechanical defects, clean, neat and attractive conditions inside and outside, in accordance with the Rules and Regulations adopted by the Roanoke Regional Airport Commission and in accordance with the terms and conditions of the Taxi Cab Operator's Permit.**

**Attachment "2" - Sample Permit , Sec. 9(f). Taxi Cab Equipment . Paragraph shall be revised to read as follows: "All Company's taxi cabs shall, at a minimum, conform to the maximum model year, safety conditions, and operating equipment (including air conditioning and seat belts) that would be required by all applicable laws and shall be no more than ten (10) years old or newer.**
